"A Touch of Gold"

A TOUCH OF GOLD

A "Touch of Gold" was evident in all areas of our school life: the trophies we won, the school colors we supported so enthusiastically, the involvement of our students in sports, clubs, music and academics, the day our class rings arrived, and all the "golden" memories of our friendships at BCHS.

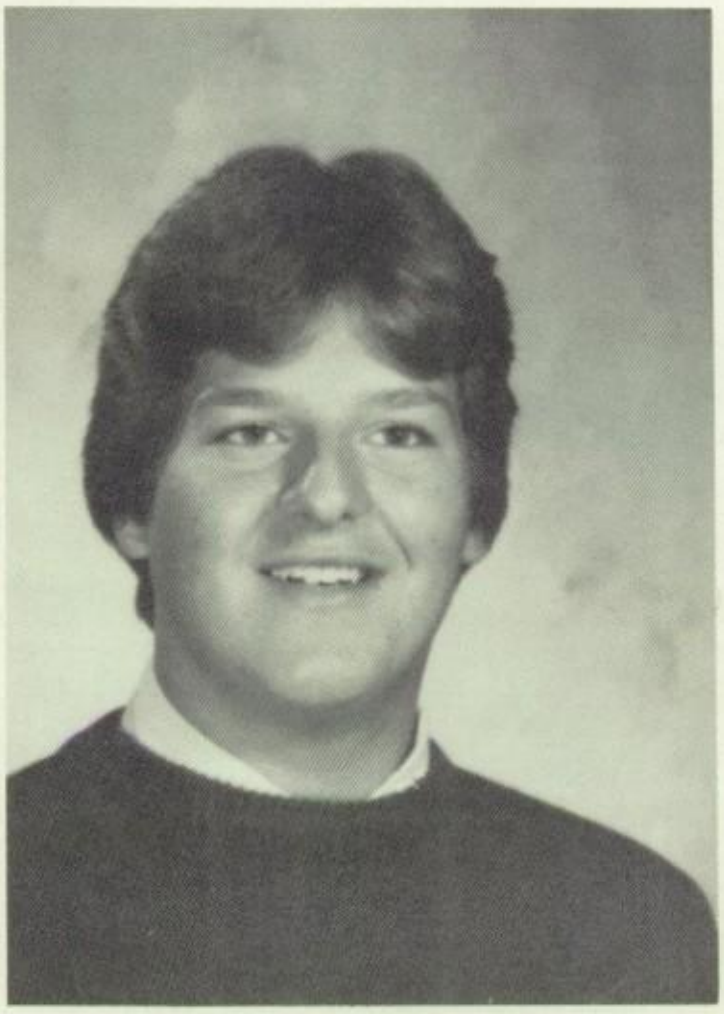
Yearbook Staff

Tim Glasscock, Editor; Petrina Coffman, Dennis Jackson, Sandy Moss, Margie Woods, Sandy Ferrell, Bruce Jones, Becky Marshall, Lisa McCarter, Jamie Terrill, Tim Gipson, Karen Miller, Missy Estes, Lisa Satterly, Photographer; and Mrs. Blakeman, Sponsor.



Finally our efforts have been rewarded! In case you haven't guessed yet, this is the 1984 edition of the Boyle County High School "LeSabre."

We have tried to include everyone and everything (and since that isn't possible, we settled for an almost). I hope that you like it and I hope that it will serve as a worthy reminder of all the year's significance and will effectively portray just what 1984 meant to our school and to you.

I would like to thank the members of the staff who have put up with me and have supported me throughout all of the preparation of this book. I especially thank all of the "old" members who have helped to train the "new" members.

Thanks to the business organizations who have helped finance our yearbook by purchasing ads or donated money for the publication of our book.

I also would like to thank all of the teachers who have allowed members to leave class to work on yearbook "stuff."

Thanks to Mr. Logue and his family who have photographed, developed and delivered pictures during the year.

A very special thanks to our sponsor, Mrs. Blakeman, who has guided me through all of the rules and procedures involved in making the book successful.

Thank you, Mr. Marshall, for your help in scheduling pictures and for your general support in all areas of our work.

Last, but not least, I thank the student body for offering their suggestions and volunteering their snapshots in order to help in the production of this yearbook.

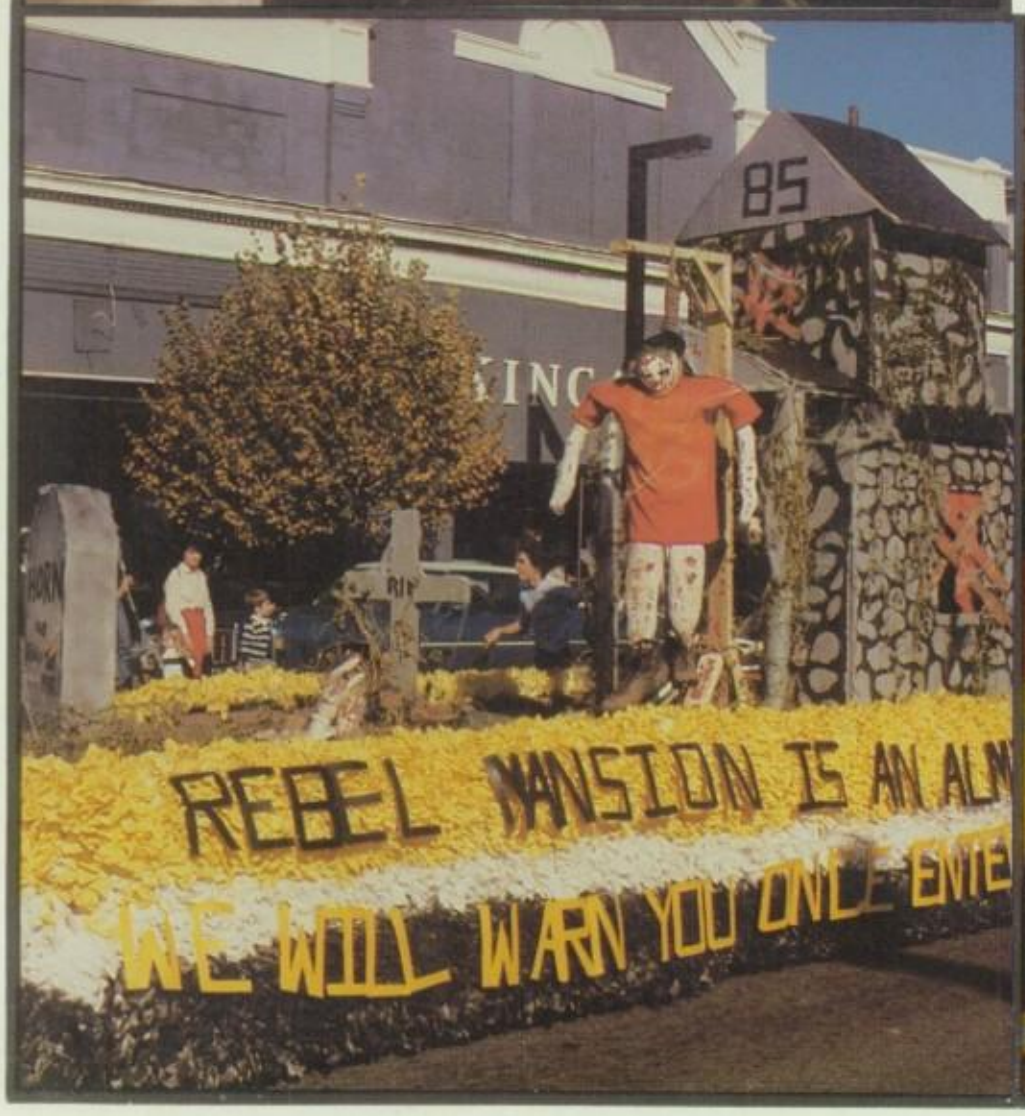
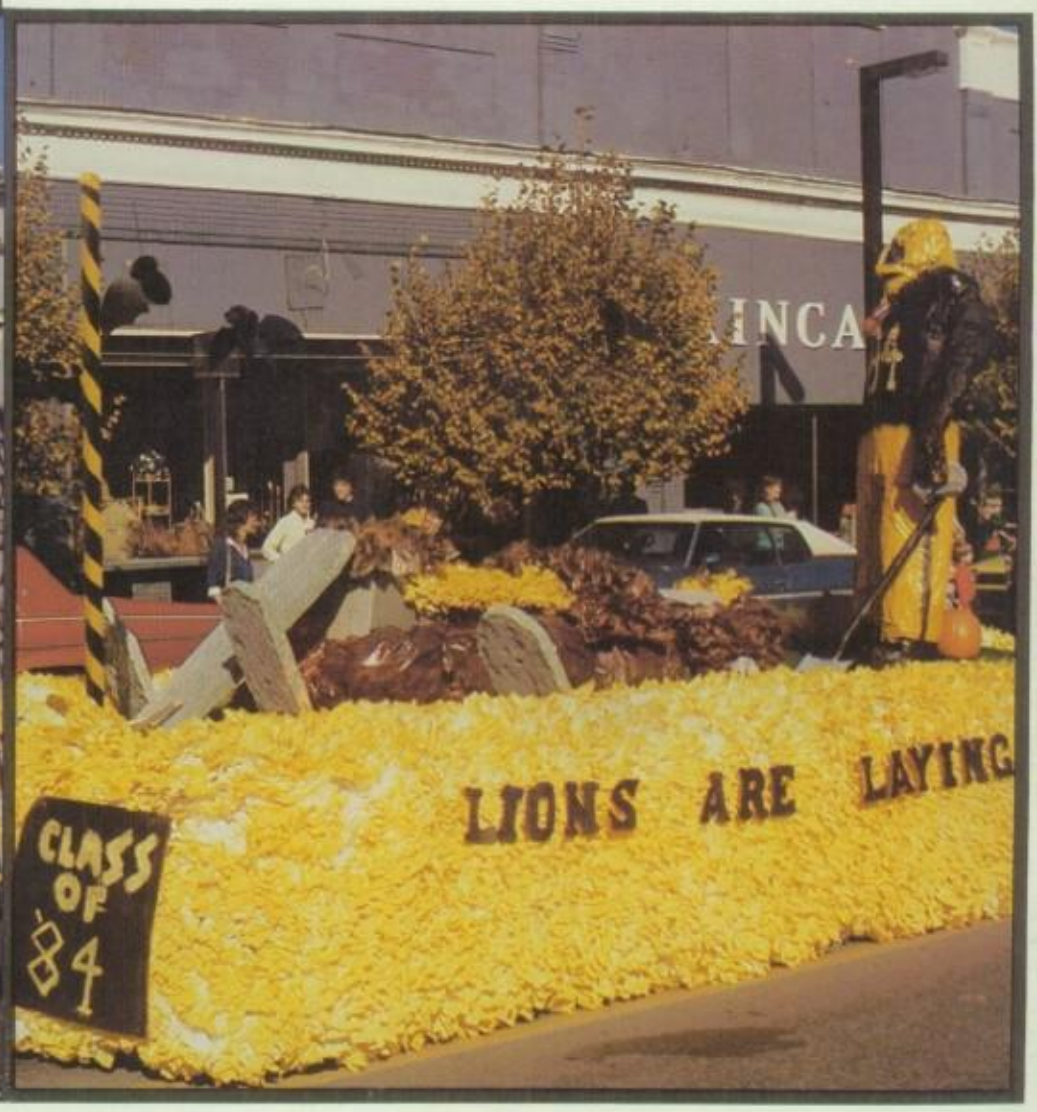
HOMECOMING

Queen: Amy Longwill escort: Mark Hall





Michelle Rogers; Escort: Clyde Rogers

Tracie Harmon; Escort: Keith Spencer

Kim Gipson; Escort: Cort Kirkland

1982 Queen Regina Hogue was escorted by Mike Sherman and assisted by Chris Edwards, Crown Bearer and Allison Gander, Flower Girl. Tracy Wilson; Escort: Mark Handloser

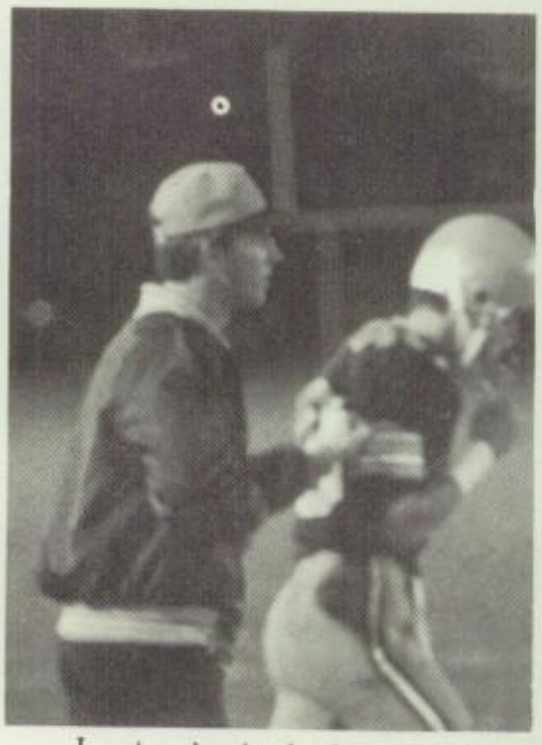
The 1983 Homecoming on October 28th started with our annual parade. The theme for the floats this year was, appropriately, Halloween. Juniors placed first in the float competition with the Seniors a close second. The football team won the game 28-12 and the band performed a half-time show.

Cheerleaders share in the joys of Homecoming.

The band steps up to Homecoming.

We had a live band for the dance.

We carry our name with pride.



Last minute instructions.

Cindy and Mark enjoyed their slow dance.

Pam marched.

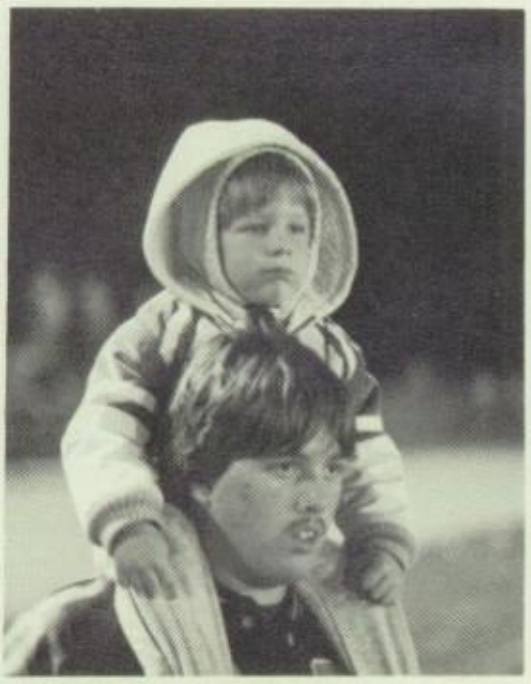
Rebels on the move.

The FHA officers distributed candy in the parade.

Rebels fought their way to victory.

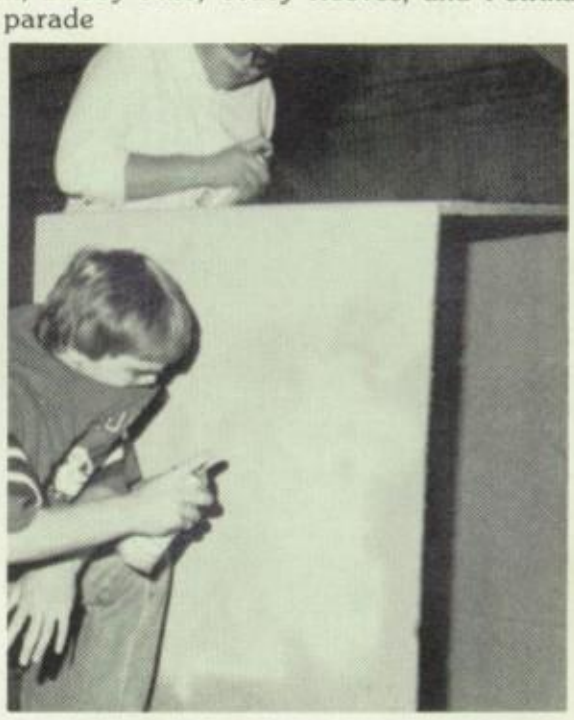
Homecoming was a special time for Traci Wilson

FBLA officers Pete Kendrick, Debby Pike, Tracy Reeves, and Petrina Coffman rode "in style" in parade



Alumni Paul Dean and future alumni Daniel Rall watched the game

Erin Mahon and Candace Garrison had time to catch up on latest news while building float



Jon Lee demonstrated new mask for painters

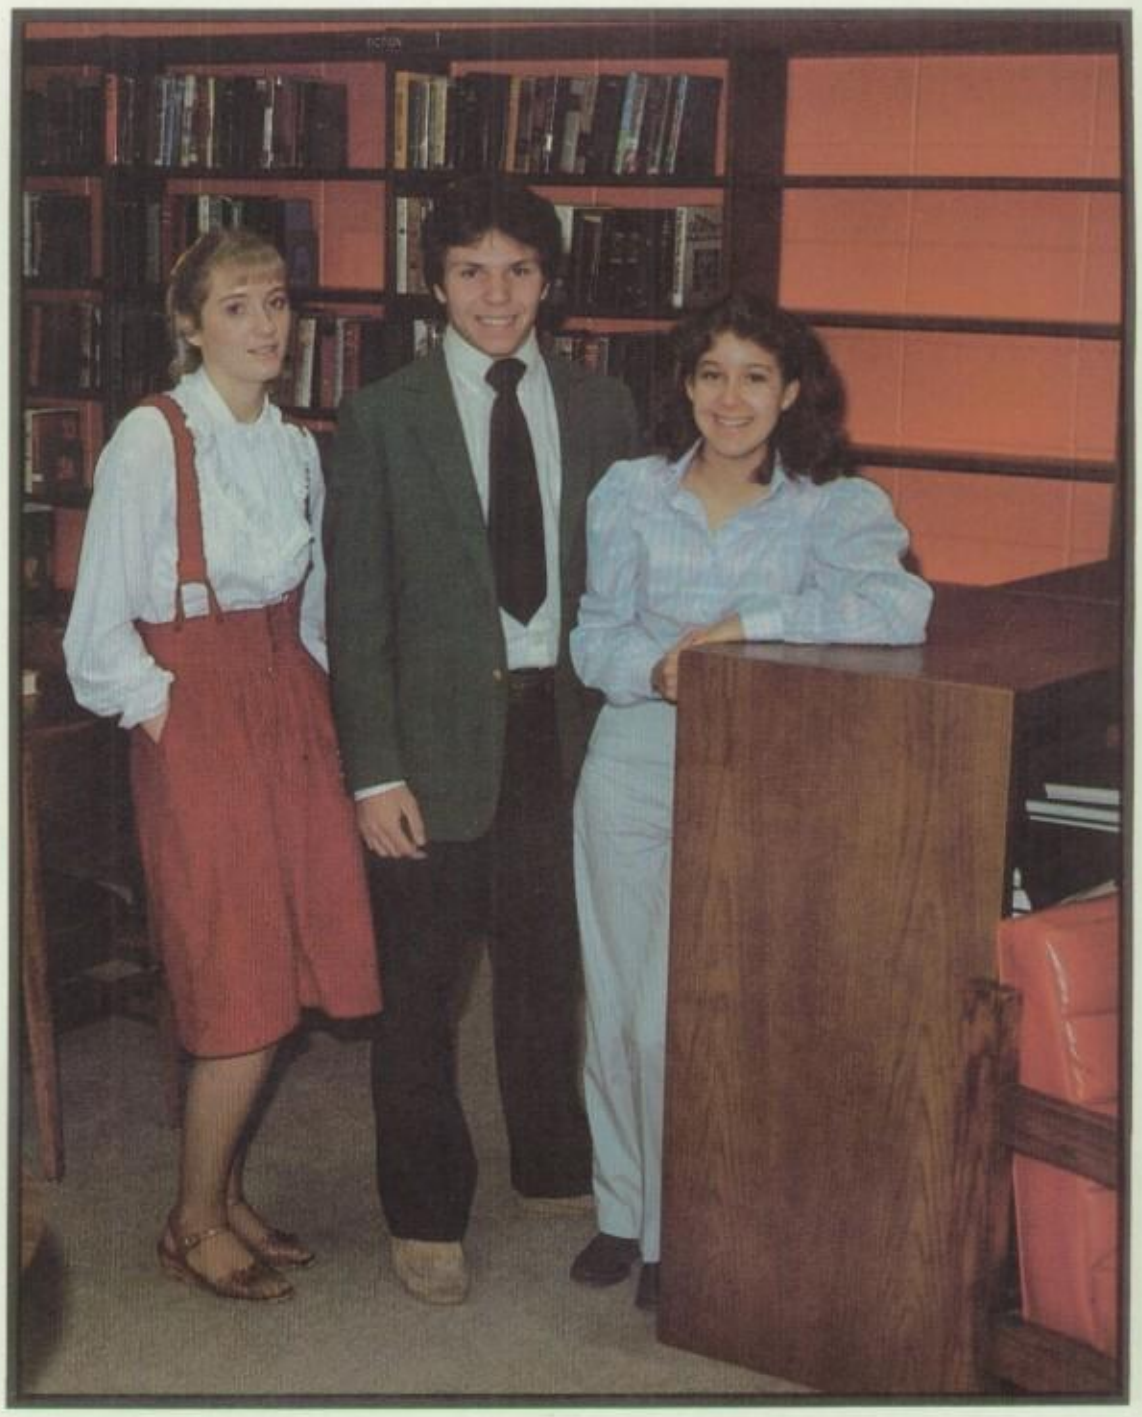
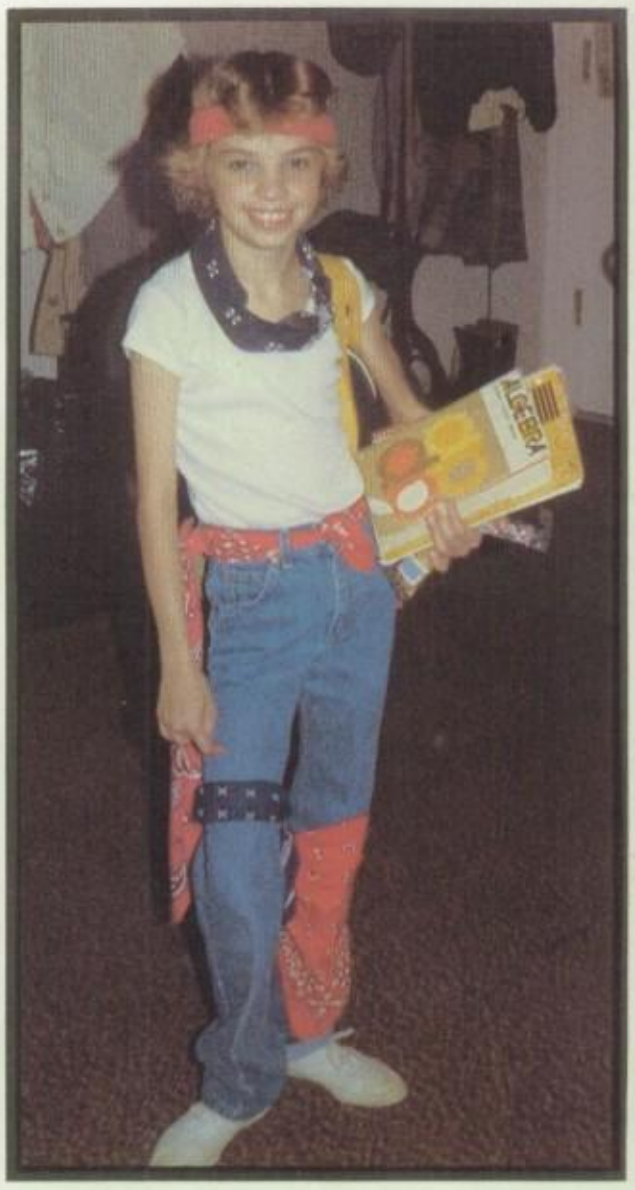
MR. AND MISS JUNIOR

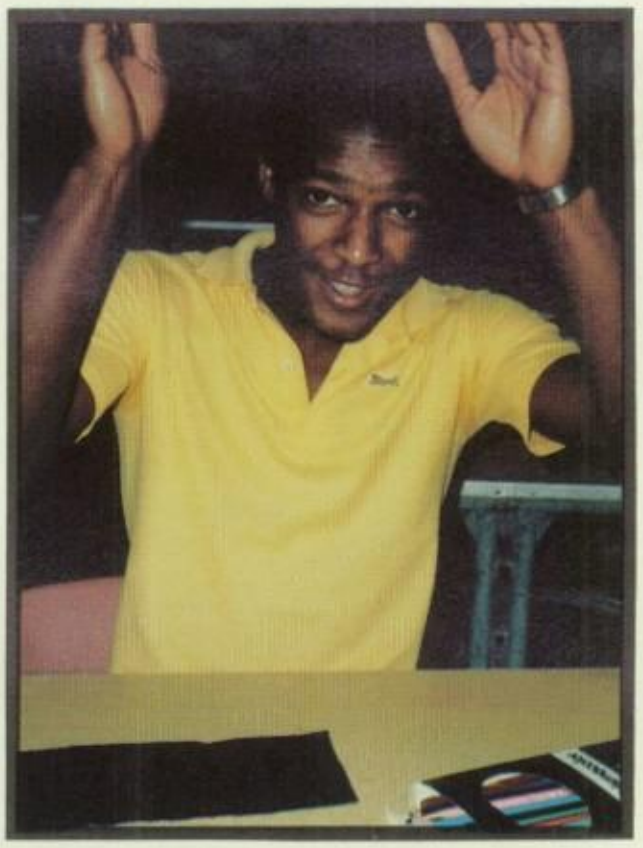
The junior class selected Tammy Moss, Danny Rousey, and Kathleen Mahon to represent the junior class as Mr. and Miss.





MR. AND MISS SOPHOMORE

The sophomore class selected Karen Hill and Daryl Smalley to represent the sophomore class as Mr. and Miss.



MR. AND MISS FRESHMAN

The freshman class selected Tammy Bottoms and Deron Grant to represent the freshman class as Mr. and Miss.

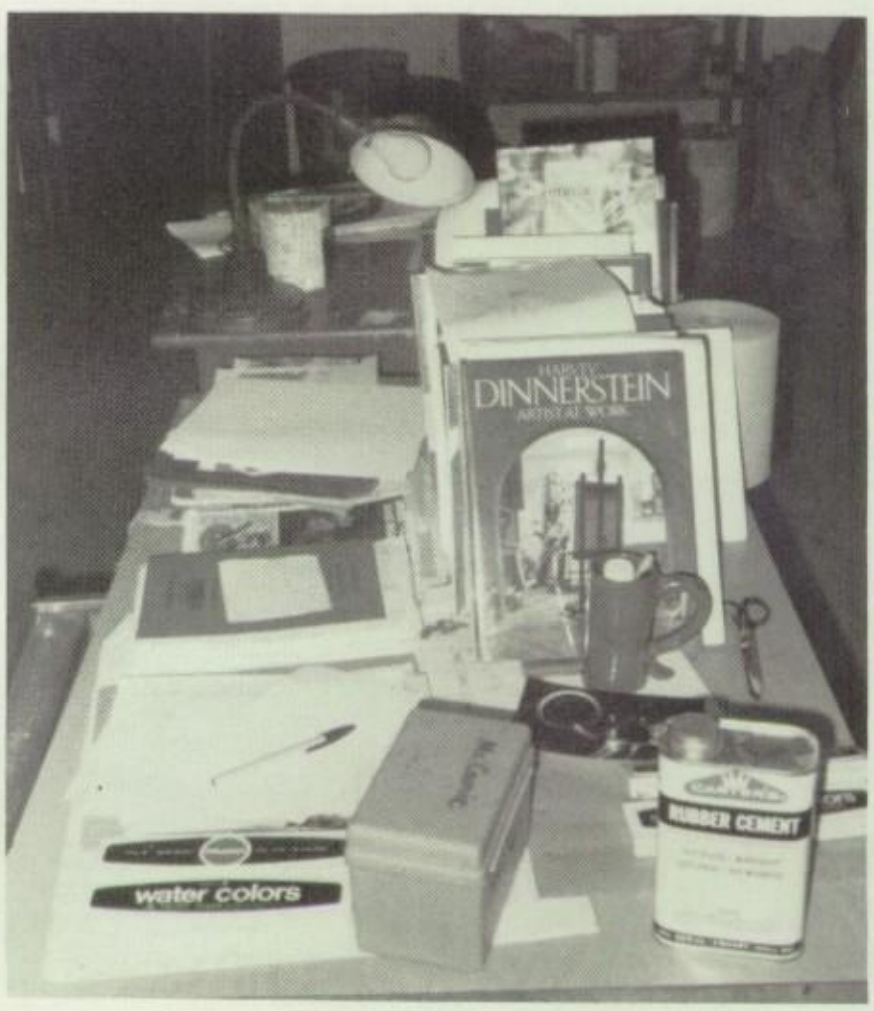
GOLDEN MOMENTS. . .

A day of school holds many treasured moments of sharing time with friends, experiencing new levels of learning, and just being ourselves.

Seniors take advantage of time in the lobby.

Missy Estes learned true meaning of "shock"!

Annette Shearer concentrated on class work.



A teacher's desk—the center of activity.

Many an hour was spent reading books for assignments as well as books of our own choosing.

We always had time to take a snack break.

Traci Wilson did not agree with her fellow friends.

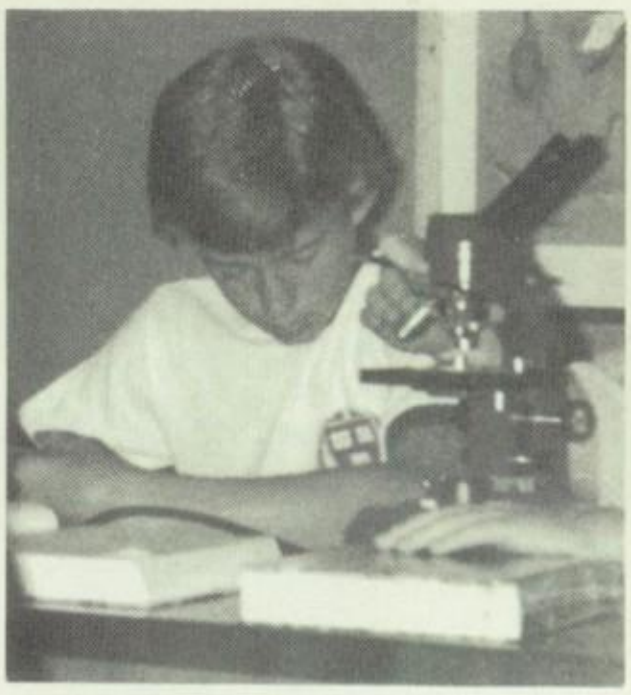
Lisa Satterly was always on hand to capture memories

Do you remember "Vern" or "Where's the Beef"?

Cheryl Cox was a true Rebel fan.

Students learned that teachers can also be friends.

The Varsity Cheerleaders led fans in a cheer.



Greg Lester was introduced to "micro" studies.

WINTER WONDERLAND

F.H.A. and Drama Club sponsored the annual Christmas Dance December 17, 1983. The dance was held in the cafeteria from 8:30 til 12:00 midnight. The theme for the dance was "Winter Wonderland" and the couples danced to music by the band, "Good Nuff." The Snowball Queen, Kim Gipson, reigned over the dance. To be a candidate for the Snowball Queen, each girl had to be a senior, enrolled in a Home Economics course, and had to hold a State Degree in FHA.

Queen's Court and Escorts: Mark Bottom, Trille Cummins, Mark Ross, Kim Gipson, Melissa Turpin, and Kevin Underwood.

Snowball Queen, Kim Gipson

Brent Muncy enjoyed music provided by the band.

Jimmy Estes and friends took a break.

REBEL SPIRIT EVERYWHERE . . .

Rebel Spirit was everywhere, in the halls, in the classrooms, in the band, . . . the Black and Gold was supported by all.

Rebel Spirit was encouraged through activities such as Rebel Day with Janet York showing everyone what true school spirit should be; Student Council helped with promoting school spirit by selling painters hats—Dee Dee Long found one just her size; Patti Owens carried out the school spirit during half time performances with the band as well as participating in the many band competitions that made the "Marching Rebels" well known in all areas of the state as they traveled to contests; Buffy Young showed that the Rebel Spirit is fun by participating in "Beach Day."

TIMES TO BE REMEMBERED . . .

First day of school—students met in gym—for some the first time they had seen friends since close of school in May.

Mr. Layfield participated in Perryville celebration.

Beach Day was a favorite spirit day.

Keeping cool was a big issue the first few weeks of school as shown by Tracy Reeves, Debby Pike, and Petrina Coffman.

Debby Pike earned a special T-shirt for efforts in Shorthand.

Lisa McCarter learned that hitting doors with your knee can be painful!

THE REBEL TEAM BREAKS EVEN

The varsity football team posted a 5-5 record for the 1983 season. Plagued by numerous injuries, the Rebels lost a heartbreaking 27-17 game to district rival Russell County after leading 17-6 at halftime. However, the Rebels bounced back to defeat Lincoln and Garrard Counties to earn a .500 season. The highlight of the season was a stunning 7-0 upset win over highly regarded Bardstown. The Boyle County defense was strong all year, but key injuries prevented the offense from being consistant. Seventeen seniors will be sorely missed by next year's team.

J-V TEAM HAD OUTSTANDING YEAR

The Junior-Varsity team posted a sparkling 3-0 record. The team consisted of this year's sophomores and juniors who did not play much on Friday night. The wins were posted over Anderson County, Somerset, and Marion County. The J-V team's success coupled with a fine freshman team should spell trouble for future Rebel opponents.

The 1983 edition of the freshman football team finished with an excellent 7-2 record. This was the largest team in the school's history with 42 players participating. While losing only to Mercer County and Russell County, the team posted big wins over Danville, Jessamine County, and Lincoln County during the year. The freshman had a great attitude all year and their talent should produce many wins in the future.

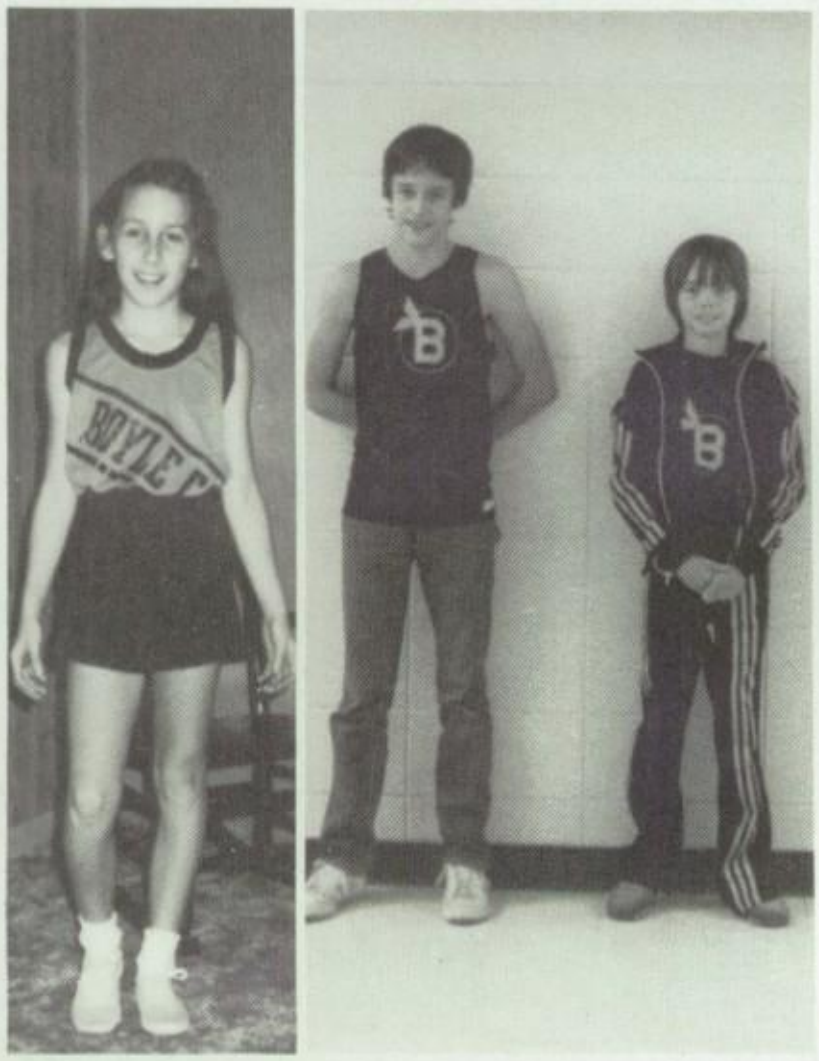
CROSS COUNTRY—AN INDIVIDUAL EFFORT

The members of the Cross Country team were young, many in the elementary grades. However, even with a young team, they made a good effort placing Third in CKC and Fifth at Regional. Jeanie Carey represented the school at the State placing 23rd; she placed 9th at Regional.



Team Members: Susan Blakeman, Ray Wilson, and Steve Turner.

Team Members: Cindy Couch, Terry Zackery, Laura Christopher, Joy, Diane Panko Stacy Long, Karen Newton, Jeanie Carey, Dee Ferguson, Sherry Young, and Christy Sanders.

WRESTLING SEASON A SUCCESS IN MANY WAYS

The 1983-84 Wrestling season was a success in many ways. The team finished runner-up in the Central Kentucky Conference and was Third in the District and Regional tournaments. Five team members qualified for the State Tournament. Pat Joles finished as state runner-up at 132 lbs. and Keith Smith placed 5th in the state at heavyweight.

Cheerleading at BCHS, sponsored by Mrs. Kirby, made a lasting impression on squad members, the community, and cheerleading clinics throughout the region, state, and surrounding states. The squad competed in clinics throughout the year and brought home many trophies and ribbons. The squad members had the unique opportunity of working together closely and meeting many cheerleaders from other areas. The seniors were asked to comment on their experiences as cheerleaders and they were quoted as follows: Michelle Cooper, "Cheerleading gave me many memories throughout my years of high school. The best part was supporting the football and basketball teams and letting them know we thought they were NUMBER ONE, win or lose." Amy Longwill, "I enjoyed cheering for four years mainly because I liked to support the football and basketball teams, no matter if our team won or lost. Cheerleading was one of my greatest experiences and will be a memory that will last forever."

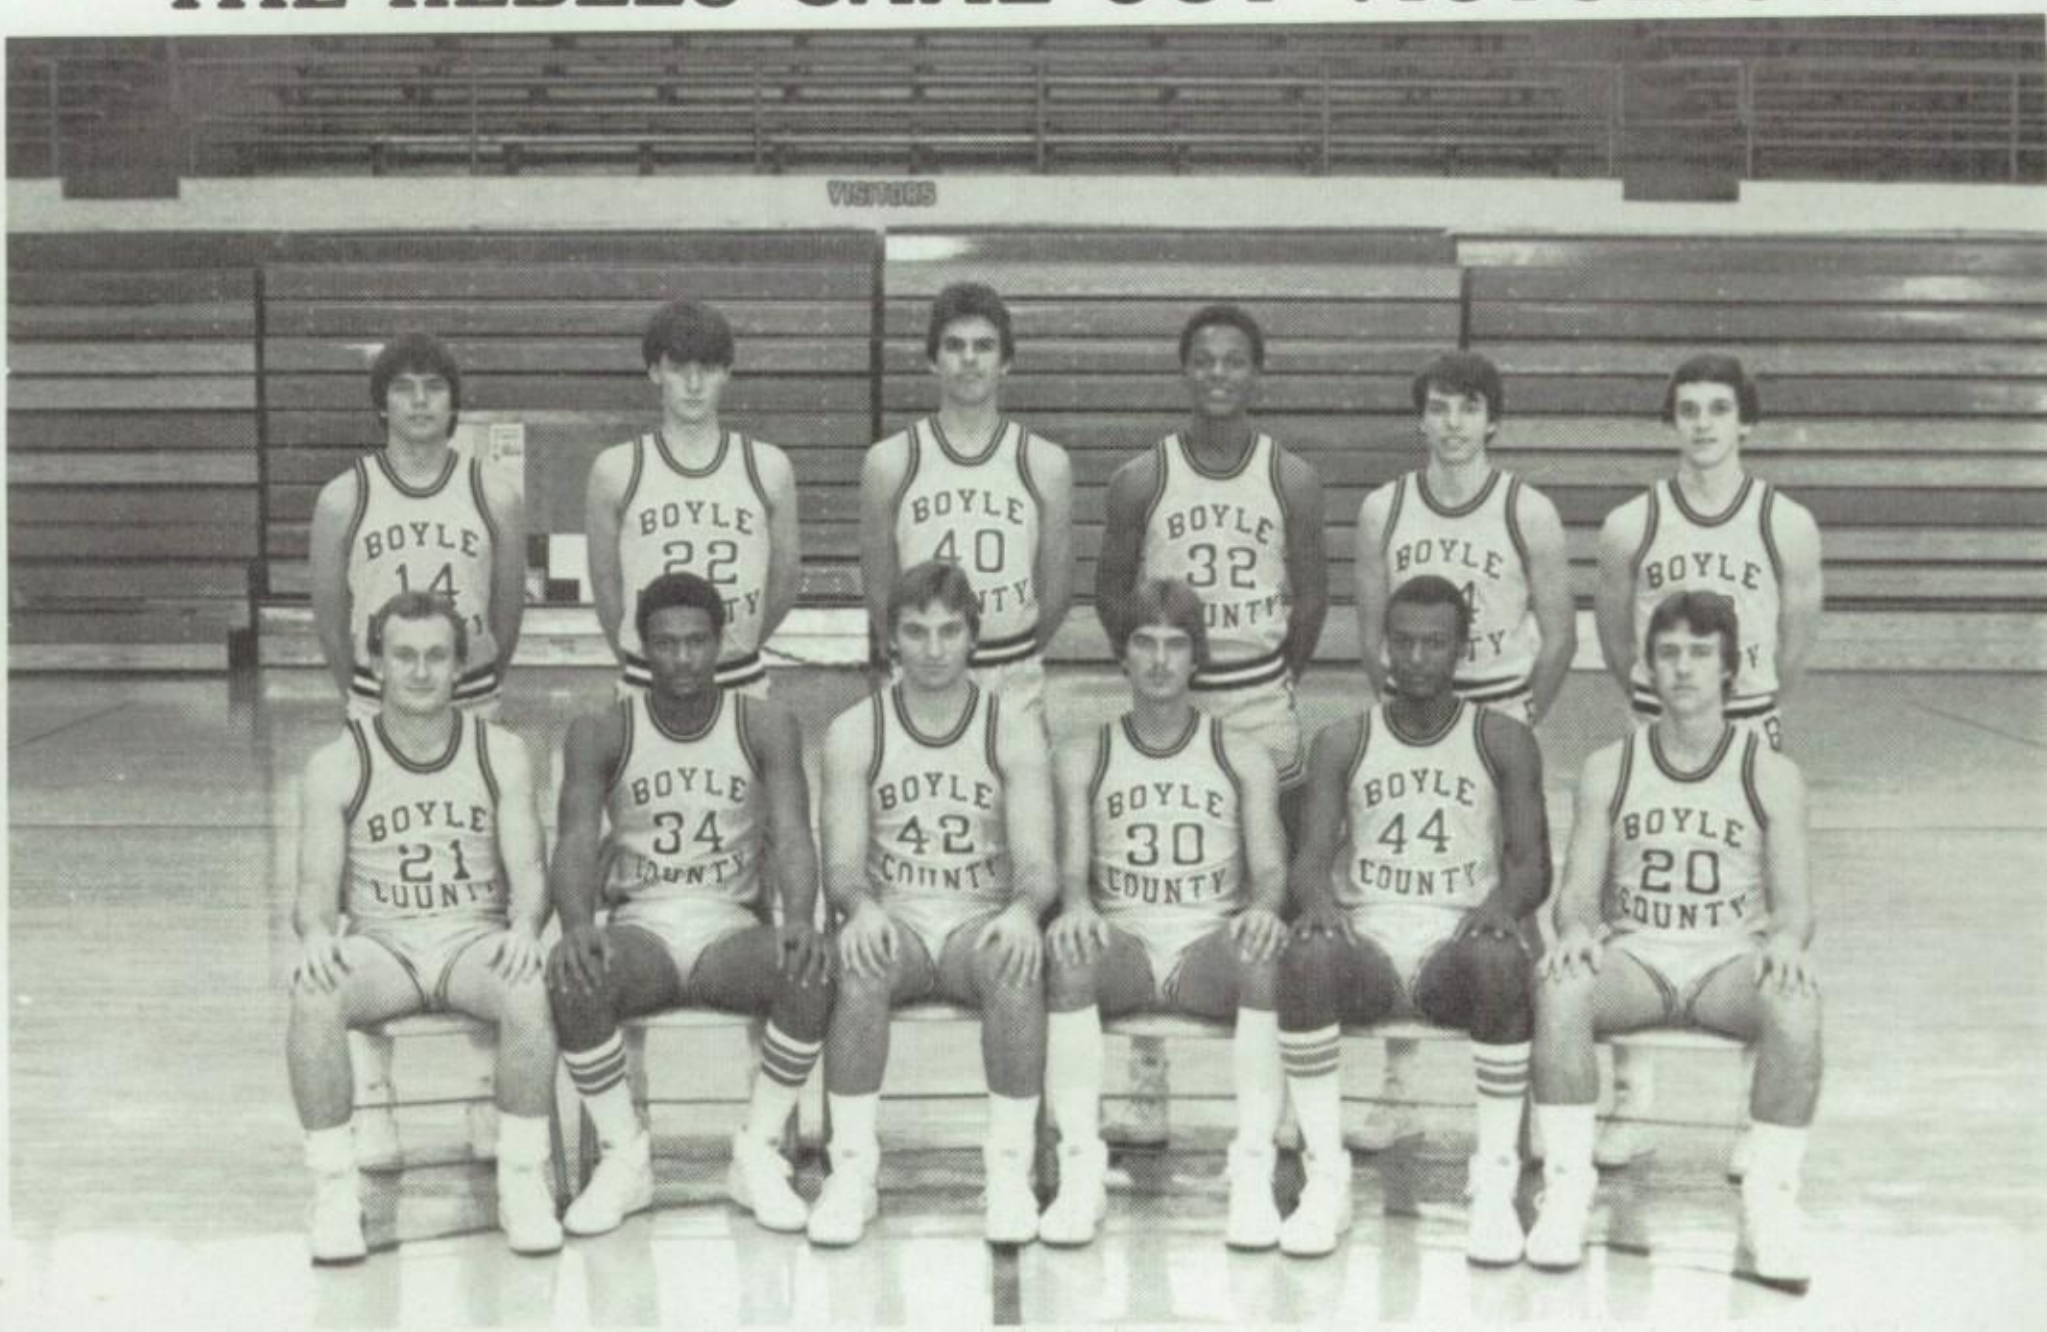
THE REBELS CAME OUT VICTORIOUS



First Row: Billy West, Pernell Smalley, Tommy Petitt, Andy Baker, James Smalley, Greg Sims Second Row: Scott Anderson, David Robertson, Daryl Smalley, Jeff McAfee, Jackie Jackson.

The 1983-84 Basketball season was an exciting one. We recorded the best winning percentage of any team in our school's history, along with the 2nd most wins of any team. There were many big victories: Danville, twice, Lexington Catholic, Richmond, Madison, and Russell County were among these. Defense was the key in many of these wins, as the Rebels set a school mark of only allowing an average of 54 points per game.

The Freshman and Junior Varsity squads also had a very successful year. Both teams did well with the Frosh only losing one game. The JV's got off to a tremendous start winning six out of their first seven games including a big victory over Woodford County. These players should provide a lot of excitement in the upcoming years.

Not only did the senior basketball players receive awards, the underclassmen did as well. Daryll Smalley received all-area and Jeff McAfee tied for team assist leader.

TRACK GAVE OPPORTUNITY FOR INDIVIDUAL EFFORT

The Boys' Track team took to the "track" under the leadership of a new coach. Mr. Sharp worked with boys sixth through twelfth grades in training for the various events. The rain and cool, cloudy days did not stop the team from practicing and participating in meets on local and regional level.

The boy's tennis team consisted of ten players this year. Each and every one of them gave their all and contributed as much as anyone could ask. Although we had a losing season, we expect big things from our program in the coming years due to the fact that our team is very young. Every player played in every match unless they were sick, so we should have a more experienced team this next year.

BASEBALL TEAM HAD GOOD SEASON

The 1984 baseball team posted a record of 19-3. The major accomplishment of the season was winning the 41st District Championship against Danville. The Rebs lost a heartbreaking game to Lafayette in the Regional Tournament. Even though they did not go as far as they had hoped, it was a terrific season.

A TRIBUTE TO TWO WHO HAVE GONE THE EXTRA MILE . . .

Mr. and Mrs. Kirby have been a vital part of the school memories for many classes of seniors. As we reminisce, we can all recall our memories o our times with Mr. Kirby in math classes, or our days with Mrs. Kirby as she worked with us as we made our first skirt or cooked our first batch o cookies. But our memories can go on as we think of the many other things they have done for us: Mr. Kirby always meeting us at the gate as w came to ballgames; Mrs. Kirby on the sidelines encouraging cheerleaders to put forth their best efforts—and they did as we came home with troph after trophy, year after year. What teacher cannot remember waiting for Mr. Kirby to get the coffee ready or to help with the coke machine in th lounge. Students and teachers alike could go to Mrs. Kirby for help in mending a uniform, replacing a button, or doing laundry at a minute's notice.

Members of F.H.A., over the years, have been encouraged and worked with to develop their full potential as can be demonstrated in the number o degrees earned by members and the number of state offices held by Boyle County FHA members under the leadership of Mrs. Kirby.

For all of these memories, and many more too numerous to mention, we all say "Thank-you, Mr. and Mrs. Kirby."

On May 12, 1984, Boyle County High held its annual Junior—Senior Prom. The theme was "Hold on To Your Dreams." Those in attendance danced to the music of "The Usual Suspects." The dance was held in the gym which was decorated for the occasion.

Decorations were prepared by the Junior class.

SENIORS HAD AN EVENING OUT ON THE TOWN

On May 21, the seniors attended a banquet in their honor at the Western Sizzlin Steak House. As they met together for an evening of fun and fellowship, they were entertained by fellow students reading the class wills and the class prophesy.

CLASS OF '84 TOGETHER FOR LAST TIME

Seniors put on their graduation robes and hats and assembled for one last time as a class. Each had many thoughts going through their minds as they approached this long awaited day. Friends for the past 12 years would be going separate ways, no longer would they have to get up and rush to homeroom five days a week. Some would be going on to other schools, some would be going to work, some would be going into the service, some were starting homes, but they all looked forward to a class reunion in the future to meet again and share the experiences they had had since graduation on May 29.

The class had made some impressive records: the first time a class had had four students to graduate with a perfect 4.0 grade standing.

Debbie,

Hi, how ya doing,
Well you finally made
it through high school
but that wasn't enough
punishment for you, you
had to go on to college.
But since you are there you
might as well enjoy it. look
at the bright side you get to
get away from perryville.
Don't forget all the fun times
we've had together while your
at college.

Love Always
A. Lee Slater
